Player Eligibility

All WCL player eligibility criteria will be applied plus the following. In order to be eligible to play in the Division Eight Play Offs a player MUST have played at least 11 matches for his/her associated team during the 2021 season. There may be a special dispensation given to individuals who have played LESS than eleven matches but are deemed to be 'squad' players of a qualifying team. In order to request for a player dispensation for a player who has NOT played eleven matches for a qualifying team during the season the club must forward the players name to the League Administrator along with the reason they are applying for the dispensation. The League Administrator will then forward the request on to the WCL Cricket Sub Committee Chairman who will rule on each individual request on a case by case basis. The club will then be informed yes or no asap after the request. There will be no opportunity to appeal against the final decision made as this will be final and binding.
